For centuries women are beautiful metaphors, just like the pearls. That's since thousands of years ago. People believe that. The pearls are born from the tears of the goddess dropping into the sea. To give mankind pearls are considered a gem of a river. So, pearls and mother of pearl is a symbol of women with purity. And high value for long enough. However, the pearls are not only white in color. Like a lady there is always the same beauty in every person. For this reason, the definition of each pearl is defined. The meaning of each can be classified as follows.

- White pearls mean purity, sincerity, faith, freedom, and honesty.
- Pink pearls mean love, loyalty, happiness, and the desire to protect.
- Black pearls mean fascinating charm, mystery, protection. And prosperity
- Green pearls mean happiness, balance, intelligence, peace, justice, good fortune and money.
- Golden Pearls mean success, wealth, prosperity, courage and intelligence.

Present in medical and beauty supplies the pearl has been made into a mixture of many types of cosmetics together. Because the pearl is a water element. Ancient people believe that it has the ability to reduce heat. And can control fire element already. It is also believed that mixing pearl powder into herbal medicine also reduces fever. And healing from the heat as well, such as the treatment of body aches of patients with kidney disease. Respiratory diseases and asthma.
